

Secure Video on Apple

Text Message:

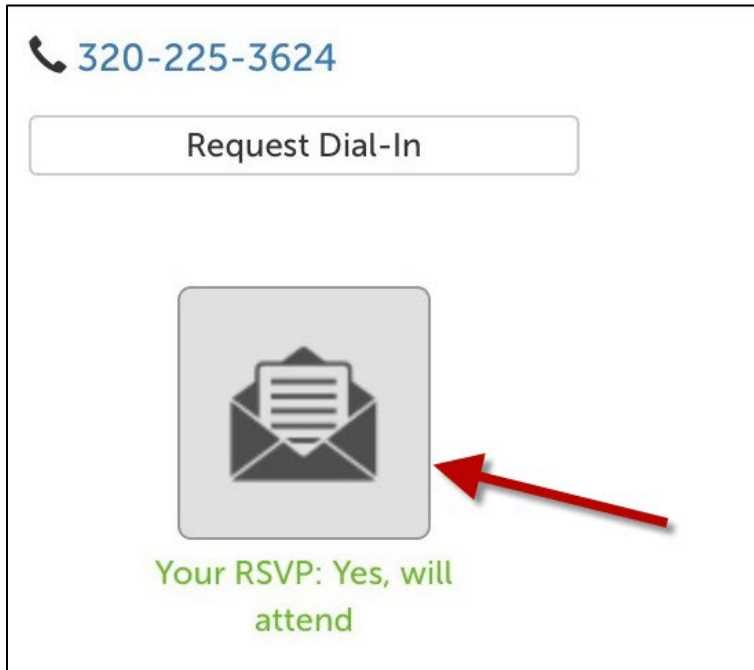

Open the message you received – it will look like the image below

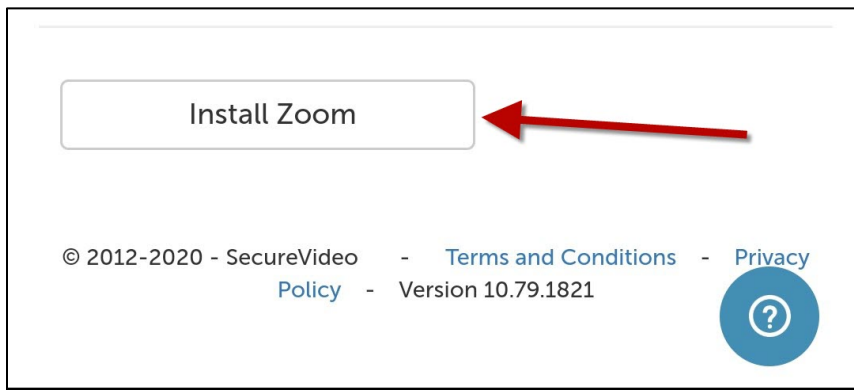

Tap on the **link** provided in the message

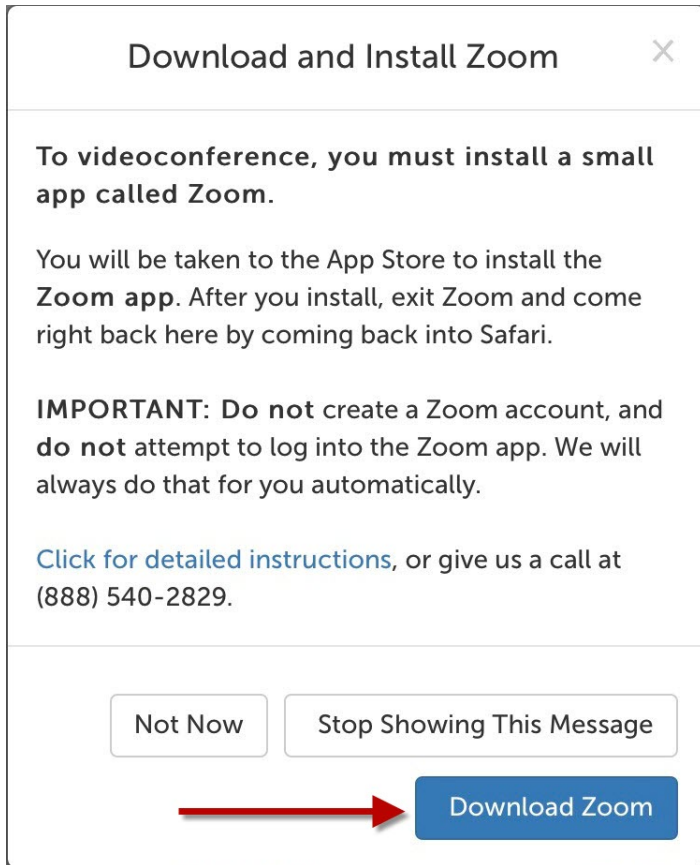

Next, please tap **Please RSVP Now** and select **Yes, I Can Make It**

Now, scroll down to the bottom of your screen and tap **Install Zoom**

Here it will prompt you to install ZOOM – please select **Download Zoom**

It will redirect you to your Apple Store – Please tap the **Install icon**

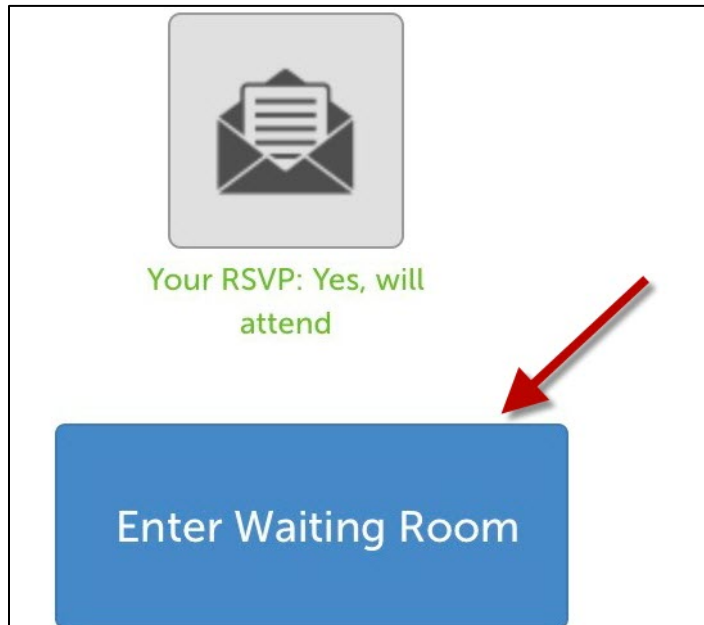

Confirm the **Install** – Note: This may prompt you for your Apple ID password

When Zoom is finished installing, please return to your web browsing app (Safari)

Please tap **Enter Waiting Room**

A popup will appear asking you to **Open this page in "Zoom"** please select **Open**

A popup will appear asking to allow Zoom access to the microphone – Select **OK**

Another popup will appear asking allowing Zoom to send notifications – please select **Allow**

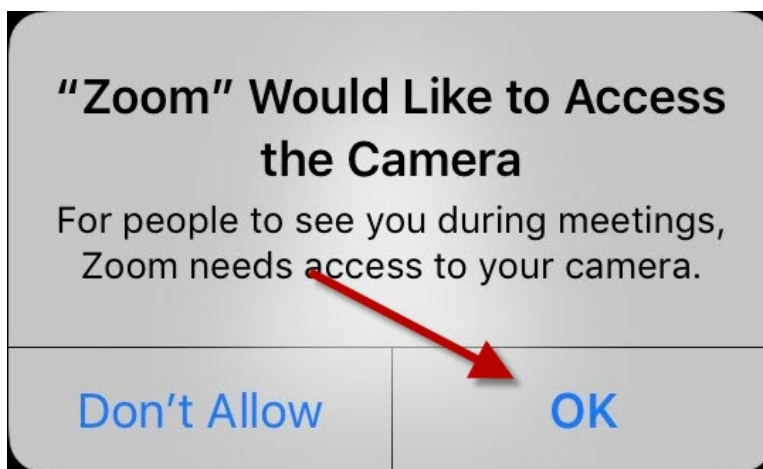

Please select **Call using Internet Audio**

Finally, please tap the **Start Video** icon on the bottom of your screen

A popup will appear asking to allow Zoom access to your camera – please select **OK**

Finally, when you are finished with your visit, you can tap **Leave** in the upper right-hand corner
