## Lily's Letters

Welia Health invites you, along with other daycare providers throughout Kanabec, Pine and Mille Lacs counties, to bring a little sunshine to the lives of our neighbors in local long-term care and assisted living facilities.

We have recently started a program called **Lily's Letters**. It's a simple idea with big potential for lots of smiles. The program coordinates the exchange of letters and artwork between daycare children and elderly residents, especially those who may be feeling lonely or isolated during these times.

### How it works

1. Lily's Letters will provide participating daycare providers with their own tote bag to be used to collect letters and artwork throughout the week.
2. **Each Friday**, any artwork or letters collected by daycare providers are to be placed in the tote bag then placed in labeled bins at any of the following drop-off locations.

#### DROP-OFF LOCATIONS

- **Kanabec County**  
Welia Health  
301 Highway 65 S

3. To ensure everyone's safety, Welia Health staff will hold the items in quarantine for 72 hours.
4. **Each Monday**, Lily's Letters will deliver letters and artwork to over a dozen long-term care and assisted living facilities.

Please note, if there are letters or artwork for a specific facility or resident, please label accordingly with first and last name, facility, and room number.
